Memorandum Of Understanding

This is to certify the memorandum of understanding (MOU) is made on 4th of September 2017

Between

Engineer Drawing Solution Software Training Institute, here in after referred as EDS, with its headoffice located at meenakshi complex, sekkalai road, Karaikudi, an offering services of training, Placement Support, Workshops, Webinars and various services, represented by its Proprietor Mr. Selvam.

And

Department of ECE, Sri Raaja Raajan College Of Engineering and Technology, Karaikudi, herein after referred as "SRR CET", located at Karaikudi sivangangai district Tamilnadu, recognized by AICTE and Anna University, offering quality education and philanthropy, represented by its professor respected Mr. T.N. Balaji on the date 04th of September 2017 has been signed off and both the parties agree to adhere the MOU.

The details of the above said MOU are as follows:

OBJECTIVE: To setup the EDS training centre for computer & networking

Engineer Drawing Solution
24/64, Meenachi Complex
Chekkalai Road, Nearest
Moenal Car Driving School
Karaikudi - 630 002
Website: www.edsinstitute.com
Email: edsinstitute@gmail.com

PURPOSE: a) To impart technical knowledge and skills of the students and faculties through workshops, training and case studies, etc.,

b) To create a bridge to reduce the gap between industries and Institutions.

c) To develop an innovative realtime projects for day to day activities

VALIDITY:

3 years from the date of MOU

1. Scope of Works:

1.1 Engineer drawing Solution Training Centre:

a) Setting up a development and training centre at SRRCET.

b) Creating awareness about the latest technologies, trends and employability/entrepreneurship skills needed to the students of SRRCET.

c) Hiring and deploying the students of Department of ECE, SRRCET for Internships.

d) Provide student development and faculty development programs, whenever possible.

e) Carryout the development activities that result in mutual growth for both EDS and SRRCET.

f) Mentor the students and faculties for converting their creative ideas in to products.

1.2 Sri Raaja Raajan College Of Engineering & Technology, Karaikudi (SRRCET):

a) Provide infrastructure support to EDS, based on the course requirements.

b) Appoint SPOC for continuous coordination, implementation and Execution of MOU.

- c) Provide Minimum 8 interns and also permit the students to utilize other training interns.
- d) Promote the need of having hands on training ,in order to get technically upgraded.
- e) Utilize the EDS development centre for innovative initiative of Students and faculties of SRR CET
- f) Provide boarding /Lodging of EDS personnels during at the time of development centre.
- g) utilize the EDS development centre for creation and implementation of new innovative ideas and the develop of individuals , institution and the nation.
- h) ensure the discipline, ethical behavior of the personnel utilizing the development centre for growth.

2. Infrastructure requirement provided by Department of ECE(SRR CET):

- a) Provide a workspace of minimum of 300 sq.ft /30 sq.m with provision of displaying EDS name board and centre details , one shelf and required stationary.
- b) Minimum of 5 desktops/laptops with a required configuration ,appropriate softwares and internet connectivity(Existing sytems from the labs can be used on sharing basis)
- c) MsOffice (all tools) , photoshop. adobe. Antivirus and the other basic softwares used for the course related subjects(NS2,linux. etc.,)
- d) Support and install additional software tools for development centre
- e) Provide necessary support in PLM cycle on EDS Products and solutions

3. Activities to be carried out by EDS as a Part of MOU:

- o Internships and training for interns
- o Industrial awareness for student and faculty
- o Support creative ideas and innovative activities of SRRcet and patent/IPR support.

[Handwritten signature]

- Live industrial projects and case studies
- Carryout product /solution development at the center
- Provide placements for students.

4.Financials:

This MOU does not cover any financial liabilities on both the parties.

In case of any additional services needed by SRR CET, apart from the above indicated ones the charges will be mutually discussed and agreed on case-to-case basis. The charges if any are subject to the applicable taxes and necessary supporting bills should be accompanied .

5.Non-Disclosure and Confidentiality:

By signing on this MOU. Both parties agree that confidential information about both the parties will never be disclosed by anyone of the parties, to any third party without the consent of the other party. Also this document is confidential and the both parties can utilize it only for the purpose of accreditation/recognition/ incorporation from any professional /government bodies only.

6.Termination:

Both parties can mutually terminate this MOU with a prior notice of 6 months. Upon termination of both the parties shall return the infrastructure/Confidential information /any other tools /program to each other.

7.Renewal of MOU:

The MOU can be renewed upon its expiry for an additional period of 1 to 3 years, based on mutual agreement between both the parties.

8.Annexures to the MOU:

Through the annexure of this MOU both the parties can perform below activities

- a) Add any additional services based on mutual agreement between both parties

WORKSHOP REPORT

ONE DAY WORKSHOP On 'Electronics CADD' Held On 22nd January, 2019 At Sri Raaja Raajan College Of Engineering And Technology Amaravathipudur Karaikudi

The Workshop on Electronics CADD organized by dept of ECE, Sri Raaja Raajan College of Engineering and Technology. The workshop was attended by about 75 participants who included Chief Guests, HOD's, Staff members and Students. The occasion was marked by Department of ECE, 2018-2019. Ms. K.Divya, Assistant Professor Department of ECE, in his inaugural address appraised the participants of the efforts taken by SRR CET in Electronics and communication during the year. On chief guest address Mr.Manivannan Vadivel, Senior Drafter, Skylight Electrical Engineering Ptd Ltd. Program Designer, Karaikudi indicated that facility for the students to work both theoretically as well as practically. He urged Student to take steps to know about Electronics Circuit Design and Its Implementation through CADD. He called up on all students to come together dealing well with E-CADD along with the various CircuitImplementations. This workshop organize along with CADD & SOFTWARE TRAINING INSTITUTE.

The Workshop had in depth discussions on issues concerning the Recent trends in E-CADD Implementations and How the scholars get opportunities through this. The workshop provided valuable inputs to the Students which would help them to steer their efforts towards Career development of them.
