### Cultural events

Dazzle is a cultural fest of SRRCET. It is a fest of cultural integrity. It serves as a platform to bring out the hidden skills and talents of students. The importance of Dazzle makes the students understand the culture of people, the arts, beliefs, customs, practices, values and social behavior. It is essential to learn about different cultures and social behavior in order to maintain communal harmony. By participating in Dazzle, students experience firsthand diverse offerings of culture and artistic expression found in community. Above all, it is a mode of recreation to the students to rejuvenate their mind and an attempt to nurture national integrity. The cultural fest starts a week earlier organizing events like group singing, group dance, mime, skit, flower arrangement, spot choreography etc. The final day of Dazzle witnesses dances by the students for both classical and western tunes. Winners of various competitions are acknowledged and awarded in the valedictory.
